Dedication

This book — — —

is dedicated to our deceased members, who, during their membership in the Kendallville Women's Bowling Association held many offices in leagues and on committees. They endeared themselves with their team-mates and made many friends throughout the years that they took an active and enthusiastic part. This friendship is missed and will never be forgotten.

INTRODUCTION

THIS HISTORY......

is presented by the Kendallville Women's Bowling Association. It has been compiled and completed for your enjoyment. Realizing the necessity of preserving the minutes of the past and present meetings and activities, steps were taken to bring you pictures and information of events that happened in leagues and City Association during twenty years of bowling. Data that is incomplete in this book has been destroyed. This is a true and concise duplicate of all secretary's reports and have only been changed if more description was needed or depleted when unnecessary for public print. Original copies are kept with City records. It is the hope of the Association, that future members will continue to keep an even more accurate history up to date. Your interest and desire to complete this project, has made this book a reality.

Marge Haskins, Historian.

HISTORY IS

A light of the past. It can have a dark and dull approach or it can be a bright and enthusiastic remembrance. It accords the present a chance to read accomplishments of the past and brings fond memories to those who participated. It preserves a policy which can be relied upon for the success of the future. As you reminisce through the pages of this history, we hope you enjoy the light it has tried to reflect.

For when the one Great Score comes,
to write against your name.
He marks not that you won or lost
but how you played the game.

HISTORY OF BOWLING

Bowling is one of the oldest and most widely played of the world's sports. Its history has been traced to Egypt of 5200 B.C. and it has been played in dozens of forms, both indoors and outdoors, for more than seventy centuries.

Tenpins is an outgrowth of the European ninepin game that was brought to this country in the 1600's by Henrik Hudson and other early explorers who settled the northeastern seaboard. The tenth pin was added, according to popular legend, to circumvent a ruling in the 1840's by the Connecticut legislature which outlawed ninepins because of widespread gambling then rampant in the game.

The earliest known example of bowling was discovered in the grave of an Egyptian child buried in 5200 B.C. Bowling implements found in the grave were similar to those used later in an English bowling game.

Ula Maika, a game very similar to modern tenpins, flourished among the Polynesians in ancient times. The game involved rolling a stone 60 feet toward a target in a contest of accuracy.

Other bowling games which have flourished in various parts of the world include: Lawn bowling, a still active English game which originated more than 800 years ago; other English games such as half bowls, skittles and ninepins; the Scotch favorite, curling—"bowling on ice"—which was introduced in the 16th century; road bowling, an Irish game in which contestants roll stones from town to town; the Italian game of boccie, somewhat similar to lawn bowling.

Many of the early European games were played outdoors, some as lawn games and others using a narrow wooden board as a lane. These games often adjoined eating places or clubs and eventually either went indoors or were at least provided with a shelter at the players' end of the lane.

The original American bowling games were played outdoors, the most famous site being an area in New York City still known as Bowling Green. With the development of tenpins, the bowlers usually belonged to social clubs and carried on a lively rivalry in their games. The members of these clubs had much to do with the founding of organized bowling and provided the nucleus of the original membership.

WIBC

Invention of Bowling

The game of ninepins was brought to this country by Dutch settlers in the 17th century. The game became so popular that a blue law was passed to forbid its playing. Bowlers got around the law by adding a 10th pin and thus bowling, as it is known today, was invented.

KENDALLVILLE BOWLING ASSOCIATION

Going back to the days when we wanted and needed a Bowling League, some of us took upon ourselves to secure the material which gave us the information we needed.....constitution, rules and regulations, etc... Finding out the officers we needed, we had an election.

The President called the officers together several times and when we felt we had our feet securely on the ground.....understanding somewhat the duties and tasks of the "Board", and after each team elected a Captain, we asked them to meet with us. We discussed our organizing, situations, rules, problems we knew were existing and after arriving at a conclusion, we held our FIRST Association meeting.

Being just a new organization, we naturally had problems and misunderstandings, etc... None of these were too severe or complicated we couldn't find an answer. If need be, the Board would spend a Sunday going to an appointment with a State Officer, but we'd get the organization an answer.... sometimes it wouldn't be what we wanted to hear, but having been told by a State Officer, that was the answer...

Then, again, there is the Tournament. This is something else. If you have never worked on the Committee setting up a Tournament you haven't lived. Of course, if you do it over and over, it becomes old stuff, but in my opinion it is such good experience that I think everyone should in some way share this experience, because when one learns to figure averages, handicaps, set up sheets for tourneys, it is a task, believe me. Even with someone to guide you and help, it takes hours of work.

May I say here, that it is in this type of work and association, that one gets to really know other people. Along with this work went many hours of happy associations. Many friendships that have lasted thru-out the years were made. Many funny things were said and done, lots of laughs were shared and we still do remember many of the funny things that happened which we cannot put in our "History" book: here and at Tournament trips--some things one would never suspect.

In a few years our group got so big it became necessary to add more nites for the ladies and this called for more leagues to get organized. The last I knew or was connected with the Association, it was quite a large organization....and this is good.

I, again, enjoyed lots of hours spent with the LaOtta girls when they wanted to organize. Some of the nites going to and coming from LaOtta were stormy and icy, but who thinks of these things when one can be helpful. After we were all set to go, we had a lovely party. I enjoyed the LaOtta girls very much. These were happy hours and days for all who participated.

The last years that I haven't bowled. I've missed it all-----and the many good times but to the Bowling Association I extend my best thoughts and wishes for many years of the best sport I know... the most relaxing and fun nites were "Way Back When"......the Kendallville Bowling Association was organized......

Sincerely yours,

Sue Henny

The first bowling in Kendallville to my knowledge was in the basement under Dr. White and Dr. Granger's offices. There were no leagues at that time and bowling was done just for the pleasure of the sport.

Later a league was formed by Mr. and Mrs. Ted Seifert, which included four alleys and was located above what is now Allison Automobile Supply Co. Cost of bowling at that time was .15 cents a line. There were 8 teams competing, six from Kendallville and two from Garret. There were two different shifts at 6:30 and 9:00, but much of the time the second shift would be delayed getting on the alleys, as we did not have automatic pin setters as of today. It was done by very young boys and if the pins were not spotted properly it could really affect your score. Back then it was a real accomplishment to have a 200 game or a 500 series, which today is very common.

With people having more time for recreational activities, bowling has become one of the finest sports, also the friendly competition and association with the different girls is very rewarding. I heartily recommend it and am sorry that I am not bowling anymore. I do wish the present league success and all very good scores.

Sincerely,

Bess Throp

''MEMORIES''

Caroline Brady recalls, when she started bowling, no one owned their own ball and shoes. She bowled in street shoes and even high heels. The cost was .10 per line. There were only four lanes and the Monday Nite League which had eight teams, bowled at 6:30 p.m. and 9:00 p.m., alternating each week. This was a little unhandy at times. High averages were 140. There was no Sunday bowling at first, but when it did start, as many as ten bowlers would share one lane. She holds many pleasant memories, but misses taking an active part in bowling. She still comes to the Bowling Center to watch the family bowl.

Vesta Henry says she can't remember too much but had "lots of fun" at State Tournaments.

June Rodenbeck recalls they had so many squabbles trying to organize the City Association----but it was all worth it.

That Phyllis (Bertsch) Hanna was very active in organization of the leagues.

Doloris Peachey in commenting on a 350 series she'd had back then, remarked, "It was par for the course as averages weren't too high".

Belva Smith would still like to be bowling but can't because of her health. She keeps up on all the bowling news and misses the association with all her bowling friends. She recalls the Monday Nite League and eight teams and being sponsored by Wagner's Insurance.

1951-1952 SEASON

The first meeting of the 1951-1952 season, of the officers of the City League, was held on July seventeenth at the home of Sue Henney. The duties of the City League were discussed. One of the main duties is the conducting of the annual City Tournament.

There was also discussion on the officers of each league. Each and every league is to elect its' own officers and handle their own business.

A suggestion was made, with reference to a Grievence Committee for this season. This committee is to be composed of a representative from each league. The purpose of this committee would be to attempt to eliminate friction among the playing members. This was left open for further discussion.

The next meeting was slated for July 31, at which time, representatives from each league would meet with the officers of the City League to iron out any matters that might come up.

There being no further business, the meeting adjourned.

On July 31, representatives of each league met with the officers of the City League for a discussion on any matter in question. In the past some teams have been selecting a captain. It was pointed out that a Captain must be elected, and this should be done about the first of April for the following year.

There has also been some controversy concerning a scorer. Each team should have their own scorer and the score sheet must be signed by the scorer as well as the team Captain.

It was suggested that each representative take up with their league the matter of having a Greivance Committee, whose duty it would be to handle such disagreements as arise from time to time. If agreeable, then the City League would appoint the committee. This was left open untill the next meeting..

The matter of delegates to the Convention was brought up and left open for thought. It was suggested that we have a picnic for the bowlers of all ladies leagues for the purpose of becoming better acquainted. It was decided to hold the picnic on Monday evening, August 27, at Bixler Lake or in case of rain, in the Methodist Church parlors.

Meeting adjourned.

On August 27, 1951 the picnic for all lady bowlers, which was to be held at Bixler Lake, was taken to the Methodist Church Parlors due to inclement weather. A bounteous pot-luck dinner was enjoyed by all, after which a short business session was conducted by the President of the City League.

One of the questions pending was, "Shall we have a Grievance Committee?" This was voted against and the matter was dropped.

We were then advised that bowling, this year, would be $1.00 plus prize money.

It was then brought up that a check for $2.00 was due, W. I. B. C. for our Certificate of Association. After being informed there was no money in the City Treasury, this was put before the group for handling. It was suggested to pass the cup and take up a collection, which was done. A total of $4.21 was received, $2.00 was sent to W. I. B. C. which left $2.21 that was turned over to the Treasurer. There being no further business, the meeting adjourned.

Nevelyn Boszor, Secretary

January 30, 1952 Jeanette Hetrick was appointed for Treasurer.

October 8, 1952 Joyce Hetrick was appointed publicity chairman by President.

On January 7, a meeting of the City Association officers was held at the home of the President. The meeting was opened with the reading of the Treasurer's report. The balance on hand was $41.21.

The third and fourth Sundays in February, namely February 17 and 24 were determined for the City Tournament. It was decided to get the entry blanks out immediately so they would all be returned by the deadline, January 28. The entry fee was to accompany blanks.

Pat Clark was appointed Secretary for the City Tournament. The price or fee for each event at the tournament was set at $1.50.

The next meeting was slated for January 30th when final arrangements would be completed for the tournament. Meeting adjourned.

Nevelyn Boszor, Secretary

Jean Fitzsimmons, Auburn, Indiana wants to bowl on Tuesday night at 6:30 p.m. for 1952-1953 season.

Miller Beverage wants to bowl on Monday Nite 6:30 p.m. for the 1952-1953 season.

January 30, 1952, the meeting of the City Association was opened with the reading of the Secretary's report. The delegates to the Convention was discussed, the delegates to be selected from those offering from each league. It was moved and seconded that the Association buy the gas for their transportation.

The date for the Annual Association Meeting was set at March 5th, the hour 7:30 p.m., the place to be decided later. This would be ten days following the City Tournament, which is the designated time for the meeting. The awards and prizes will be handed out at that time as well as having election of officers.

The question of whether or not there will be a double shift on Monday night next year is to be discussed at the Annual Meeting.

Pat Clark's letter of resignation as Treasurer was then read and accepted. Jeanette Hetrick was appointed to fill the unexpired term. The remainder of the evening was spent working out plans for the tournament.

Nevelyn Boszor, Secretary

On March 5, 1952, the Annual Meeting of the City Association was held. Seven members answered the roll call of officers and board members, after which the minutes of the August 27 meeting were read and approved. There was a bill presented for phone calls in the amount of 66¢. A motion was made and carried for the payment of same. The Treasurer's report was then read, showing a balance of $22.01.

The President of the Monday league suggested that the City Association purchase record books for the Secretary at a cost of $3.00 per set, these books made up by W. I. B. C. A motion was made to this effect and carried.

(February 11, 1952, June Rodenbeck resigns as Secretary of the Monday Night League, Darlene Black was appointed to fill the unexpired term.)

The President of Tuesday League presented resolutions for the City Association to adopt: "That offices of President and Secretary be for a duration of two years-offices to be voted on in alternate years". The President tabled this, to be presented and considered by the City Association to be voted upon by its members.

The Thursday Housewives group reported they were getting along fine. Lucille Guthrie of the LaOtto Twenty Pins thanked all for the help given them in getting their league started.

The nominating committee reported that a slate of candidates was ready--balloting took place later. The President appointed committees as follows:

Rules Committee	Audit of Books
1. Florence Deems	1. Peg Davis
2. Phyllis Bertsch	2. Dorothy Godsell
3. Jean Vinyard	3. Wanda Lepper
4. Eva Worrex	4. Ruth Collins

Under new business, it was brought up for discussion to have two leagues on Monday Night-one at 6:30 p.m.-the other at 9:00 p.m. One league is to bowl on Tuesday Night at 6:30. This was also OK'd by the men.

There were nine possible new teams for next year--one more team from Albion, LaOtto with six teams, Garrett or Auburn with one and Miller Beverage with one.

Mary Owen made a motion that we reserve three shifts for Women's Bowling next season and everyone cooperates in getting teams. The motion was carried.

It was further suggested that League Presidents turn team names in to the City Association Board, and they help organize the second shift for Monday Night by August.

There was discussion on the Woman Bowler's Magazine. Each league was to carry out their own desires as to purchasing it yet this season.

The President made the suggestion that each league try and name their leagues.

With reference to sanctioning of members, a motion was made by Joyce Casselman-seconded by Peg Cunningham as follows: "Team members should fill in forms stating name, address, etc., pay sanction fee to Captains, who give these forms and sanction money to League Treasurer. Treasurer gives a receipt of sanction to new member. Treasurer reports new member and gives money to League Secretary, who then gives name and money to City Association Secretary. City Assn. Secretary makes out sanction card in entirety and gives card, (Completely filled in and signed), to League Secretary who gives same to the bowler." This was to be done so the sanction card will be available in a week's time. Also, that when a bowler pays her sanction fee and holds receipt, she is sanctioned.

The President requested that all bowlers know how to score, figure handicap, and know the Blue Book. The election then took place. Following is the result:

President:	Ruth Collins
Vice-President:	Helen Roman
Secretary:	Florence Deems
Treasurer:	Jeanette Hetrick
Sergeant-at-Arms:	Ilene Mock

The City Tournament awards were then made and the presentations of the trophies:

Teams:
Singles:
Doubles:
All-Events: Ruth Dester-1st place
Runner-Up: June Rodenbeck-2nd place

The meeting then adjourned.

OFFICERS MEETING

The first meeting of the 1952-1953 season of the officers of City Association and City League was held on August 11, at the home of the President Ruth Collins.

A suggestion was made for the team captains to contact team members and have all the sanction fees ready to turn in at the next meeting in order to have the cards made up and ready to hand-out the first night of bowling. Also a receipt was to be given to team Captains with a list of each team member sanctioned instead of a single receipt given to each girl.

A suggestion was made for the Monday Night League to begin bowling September 8th, because of Labor Day being on Monday, September 1st.

Another suggestion was made for patches for the winning team, besides the high individual trophy. The Blue Book was discussed and checked for new rules, also.

Florence Deems handed in her resignation as Secretary of the City Association, to be read and the new Secretary elected from the floor at the picnic meeting. It was decided to hold the picnic August 22nd at 6:30 p.m. at Bixler Lake.

COMMUNITY SINGING FOR ALL BOWLERS

TIPPERARY

1. It's a good time to get acquainted,
It's a good time to know.
All our sponsors and our bowlers,
Who are here to make things go
No time for stuffy bowlers
We're here to boost our fame,
When we all join hands and pull together
We will all enjoy the game.

JUST A SONG AT TWILIGHT

2. Just to bowl at twi-light
with our hearts a-glow,
And the ten pins scatter
with the ball we throw.
Just to get our average
and a few pins more,
Sets our hearts a-flutter,
For a great big score-
For a great big score.
See the league of bowlers
on the drives for fun,
Plugging for each other
One for all and all for one.
There's a glorious feeling,
Crawling up our spine,
When we start to thinking-----
They're all friends of mine,
They're all friends of mine.

DOWN BY THE OLD MILL STREAM

3. Down by the old head pin, where the
hook comes in,
With an aim so true, there's a split or two,
It was there I knew that I must come thru
With a strike or a spare, or maybe a pair,
Down by the old head pin.

I'M FOREVER BLOWING BUBBLES

11. I'm forever picking cherries,
Guess I'll never make a spare
I try each night, with all my might
I use my left arm then my right,
I've tried every angle
But somehow I don't care
I'm so used to getting strikes
I dont bother with a spare.

LET ME CALL YOU SWEETHEART

12. Let me bowl 200 I'll be satisfied.
I don't want 300, folks will think
I lied.
If I must have splits-----then,
Please don't make them wide
Let me bowl 200, I'll be satisfied.

ON MOONLIGHT BAY

13. We are bowling along on maple lane,
We can hear the ten pins falling,
We're on to fame,
We need only one strike, for a
perfect game,
As we roll the ball just nine pins fall
And spoils our game.

WHEN IRISH EYES ARE SMILING

14. Now bowling season's over
And we all feel kind of blue
Cause we miss the fun and frolic
We had all the winter through
But soon will come September
Then league starts up anew
And we'll all be back together
Me and You and You and You.

EVERYBODY SING AND HAVE A GOOD TIME

WHEN YOU'RE SMILING

8. When you're bowling, when you're bowling,
There's striked and spares for you.
When you're missing and you're splitting
Whe world seems mighty blue.
And when your turn comes,
May lady luck smile,
When we're together, it makes life
worthwhile.
So when you're bowling, let's keep on
rolling,
Good scores will come to you.

TURKEY IN THE STRAW

9. Oh, we once knew a bowler who had a cork
arm.
She had a wooden leg but she didn't give
a darn.
Oh, she had false teeth and she had a
glass eye,
But she said, "that won't stop me,
No, not I".
She ran up the runway, down would go
the ball.
The pins would see it coming and down
they'd fall.
She'd turn to the girls and say with a grin,
"I'm a darn good bowler for the shape
I'm in".

SILVER THREADS AMONG THE GOLD

10. Ten pins you are bad and bold
Hard to get I have been told.
You have challenged me today,
But I'll send you on your way.
Yet my ten pins you will be, will be,
Always fair and square with me.
Yet, my ten pins, I will see
That you're always fair to me.

AUF DU LIEBER AUGUSTINE

4. The more we bowl together, together,
together,
The more we bowl together,
the happier we'll be.
For your friends are my friends and my
friends are your friends.
The more we bowl together,
The happier we'll be.

PUT ON YOUR OLD GRAY BONNET

%. Come on, let's bowl, doggone it,
Put some hot stuff on it.
Get this tournament up on its way,
For the best game rolling is the
game called BOWLING
In this dear old U.S.A.

AULD LANG SYNE

6. We're here for fun right from the start,
So drop your dignity.
Just laugh and sing with all your heart
And show your loyalty.
May all your troubles be forgot
Let this night be the best.
Join in the songs we sing today,
Be happy with the rest.

WHEN MY HAIR HAS TURNED TO SILVER

7. When my hair has turned to silver,
I'll be bowling just the same.
I will always be a bowler,
Just because I love the game.
With a string of strikes around me
And a spare or two each game,
I will always be a bowler,
Just because I love the game.

Lotus Gard-Berniece Maxson-Marge Haskins-Marge Blech-Marion Pollard

1953-1954
Season
of
The Gard Well Drillers

The Monday League has started
and we're on hand to bowl
All decked in our blue dresses
we're ready to roll.

There's Margie Haskins to lead off
Who always has to say,
"She might get that spare
if her ball just went that way."

Marian Pollard is next in line
to try her luck is true.
But she can gutter just as well
as you and you and you.

Now Lotus Gard comes up to bowl.
Will she get that pin?
Her ball goes where she thinks
that pin should have been.

Margie Blech shows up now
to get a strike or split.
And if she doesn't you can bet
the floor her foot will hit.

And now our anchor man appears
Bernice Maxon is her name.
Tenth frame and will she mark
to win or lose the game.

We've had some mighty thrilling times
as you remember too.
But with that fighting spirit
we sometimes came through.

We sure like this game of bowling
and want you all to know.
Watch out! This mighty Gard's team
next year will GO GO GO.

So to each and every one of you
as this season ends.
Best of luck and good wishes
to all our bowling friends.

Sue Henney took over as our President for the 1951-52 season, which was very successful. On August 27, 1951 we held our first picnic. This was to have been held at Bixler Lake, but on account of bad weather, was held in the Methodist Church. Ruth Kester was presented first place in All-Events, and June Rodenbeck took runner-up.

Ruth Collins was our President for the 1952-53 season. This was the year that Kurtz Florist took first in the City Tournament, Joyce Casselman first in the All-Events, and Ruth Kester got the runner-up trophy.

Jeanette Hetrick took over the 1953-54 season for President. This was the year when our President and Secretary started to hold their two year term in office. Four officers answered roll call. The minutes of the last meeting were read and approved. The Treasurer's report was read with a balance of $74.39. The report was accepted.

The President Jean Vinyard, announced that the annual picnic would be held Tuesday, August 16th at 6:30 p.m. at the home of Grace Newton.

President Jean Vinyard stated that if any of the leagues did not have teams or members to complete their league, the City Association would be glad to help them in any way possible.

Jean also stated that each league should have a Greivance Committee to handle any questions or rules that might come up for discussion.

If they could not settle the problem or rule involved, then it would be brought to the City Association. Girls in all meetings were asked to be on time.

The President brought up some difficulties with the Friday Nite Twenty Pins. They must have a Nominating Committee, which they did not have the past season. A new election must be held to elect officers for 1960-1961 season. The LaOtto Twenty Pins must conform to the Blue Book rules. The President also stated that this league could not have a split season bowling this year.

Sponsor fee to remain the same--$10.00 with $1.00 additional for each sub to be sanctioned.

Secretary Betty Taylor, read an invitational letter from Alberta Crowe, W. I. B. C. President, to bowl in National beginning April 6, 1961 at Northcrest Lanes, Fort Wayne, Indiana.

At the business meeting four officers answered roll call. The minutes of the last meeting were approved as read. The Treasurer's report was read with a balance of $74.39. Shirley Fraze moved that the report be accepted as read.

There was additional discussion about the LaOtto Twenty Pins league. Sue Henney told of the leagues organization some years back and how it was set up to go by the Blue Book.

The price of bowling was discussed, but it was not known at this time.

Each league was reminded to take a collection for the Bowler's Victory Legion.

An article was read from the Woman Bowler pertaining to some new rules brought out in the Convention at Denver, Colorado. There as follows:

1. The President of the league must verify the balance in the league bank account monthly.
2. Full league fees must be paid each week and the Captain is responsible for collecting all fees and remitting to the league Treasurer each week.

3. League rules must be adopted prior to the beginning of the league schedule.
4. The time limit for filing protests has been changed to 15 days after the series in which the infraction occurred.
5. League fees are defined as the total paid for bowling, the prize fund and any other amount voted by the league.
6. Each league must set a blind score and a vacancy score. A blind score is one used if a regular member must be absent and no substitute is provided. A vacancy score is one that is not completely filled at the opening of the season.

Deloris Peachey presented the appreciation gift to Marjorie Haskins, which was a beautiful bowling bag and was gratefully received.

Cora Smolinske made a motion for adjournment and was seconded by Sue Henney.

Four officers answered roll call. The minutes were read and approved. The Treasurer's report was read with a balance of $69.92. The Auditing Committee reported the books were found to be in order. The second annual meeting of the Kendallville Woman's Bowling Association was held Wednesday, January 8, 1964 in the Council Chamber of the City Hall.

Three officers answered roll call. Minutes of the last meeting were read by the Secretary and approved. The Treasurer's report was read by Carol Stahl, with a balance of $167.52. Thirty-four teams answered roll call.

The President mentioned the Junior Bowling League and their Tournament just completed with trophy and prizes awarded and the fine work Bud and Maxine have been doing with the boys and girls.

New business was brought up for discussion. Glennis Thomas mentioned that she felt the $2.00 life-time 600 club membership should be paid by the City Association to express our pride in these girls. After discussing the matter, Mary Criswell made a motion that the City Association pay this. This was seconded by Jan Duehmig. Marian Pollard then made a motion that the $2.00 fee paid, be made retroactive to reinburse these girls who have already paid their own. This was seconded by Dorothy Babin. The motion was carried.

It was tabled for further discussion in the 1964-1965 season.

TEAM CHAMPION — Proudly displaying trophies won as team champion in the Kendallville Women's Bowling Association annual city tournament are members of the Bonar Well Drilling team, which posted a 3046 total for top honors. From left to right are Lois Bair, Marge Elser, Judy Bonar, Clara Davis and Pat Elser. The trophies were among those presented at last night's annual awards meeting.

DOUBLES CHAMPIONS — The doubles championship in the annual city women's bowling tournament was won by two sisters, Jackie Barlett, left, and Donna Uhl, with 1240 pins. They are shown with trophies received at the annual awards meeting of the Kendallville Women's Bowling Association. The group met last night in the Indiana & Michigan Electric Community Room.

SINGLES AND ALL-EVENTS CHAMPS — Judy Bonar, left, was both singles champion, with 687 pins, and all-events actual winner, while Betty Hemlinger was all-events handicap winner in the annual city women's bowling tournament. They are shown here with trophies received last night at the annual meeting of the Kendallville Women's Bowling Association.

Mrs. Helen Mieras: 192, 235 And 244

A capable woman bowler with a 150-pin average outdid the opposite sex last night when she laced together games of 192, 235 and 244 for a big 671 series, best so far this year and better than anything last year — man or woman — in the Kendallville bowling fraternity.

Mrs. Helen Mieras, 913 Villa Terrace, came up with the outstanding series while bowling with Kelsey's Drive-In in the Friday Night Strikers League.

Bowling authorities today believe Mrs. Mieras' achievement very likely set an all-time woman's record here, at least within modern kegling history.

Then on the week-end of May 2nd and 3rd, eight teams will be coming of which several are league leaders or in contention for it: Ed's Cities Service, Riley Street Grocery, Wagners Insurance, Kendallville Furniture, A & W Drive-In, Kurtz Florist, and Flint & Walling, who has one member, Helen Mieras, who bowled this year the highest series ever bowled by women in Kendallville - 671 series. Then Harman's I.G.A., who has one member, Glennis Thomas, who is a former resident of Marion and was a league bowler there. She has certainly encouraged all the girls to go, especially stressing what a wonderful city Marion is and that we will be shown ever hospitality in the books. Mrs. Thomas will be bowling the singles and doubles along with Carol Stahl on this week-end. These two girls are two of our highest average bowlers. Others capable of being among the high finishers are Maxine Campbell, Cora Smoliniske, Helen Mieras, and Joyce Casselman. We are looking forward to coming, I know. I bowl with the Harman's I.G.A. team-I am just an average bowler but I have fun and I guess that is what is most important in this game of bowling.

Yours truly,

Helen Porter, City Secretary

1964-1965 SEASON

President: Marjorie Haskins
Vice-President: Marian Pollard
Secretary: Glennis Thomas
Treasurer: Carol Stahl
Sergeant-at-Arms: Peg Blaskie

The first annual meeting of the Kendallville Woman's Bowling Association for 1964-1965 was held August 12th, at the Kendallville Bowling Center at 6:30 p.m. Sixty-one members enjoyed a delicious pot-luck supper.

The meeting was called to order by the President Marge Haskins at 8:00 p.m. An announcement was made by the President of the appointment of Glennis Thomas as City Association Secretary, to fill the unexpired term of Helen Porter, who resigned to leave the city with her husband and family.

Five officers answered roll call. The minutes and Treasurer's reports were read and approved. The audit committee reported all the books in order.

Maxine Campbell reported on the Junior Bowling League in which she told of the two teams that went to Fort Wayne and participated in the VFW Tournament and won the first division. They were awarded trophies.

Under unfinished business, the President read a brochure on the "Mandatory Form of Constitution and By-Laws". Our constitution was accepted by W. I. B. C. except the number that constituted a quorum. W. I. B. C. said this should be 31, so it was put in a motion by Marge Jacobs and seconded, by Ruby Van Dusen that the number 31 be inserted in the constitution. Motion carried.

The President told of a meeting at Helen Porter's house in which the officers despursed with all old materials kept from year to year and only kept history, account, etc. of importance.

It was announced that the W. I. B. C. National Tournament was to be held in Portland, Oregon and the State Tournament is to be held in Lafayette, Indiana.

Marge Haskins and Glennis Thomas reported on the First State Workshop which they attended in Indianapolis on August 2nd, at the Essex House. A similar meeting will be held in Fort Wayne, September 14th, and urged all Executive and Association officers to attend.

All W. I. B. C. correspondence received during the summer was read by the President.

Each League President was asked to announce when their pre-season meeting would be held as follows:

Monday Nite Sallies--August 17th at 7:30 p.m., at the Bowling Center.
Tuesday Kendall Keglers--August 25th at 7:30 p.m., at the Bowling Center.
Friday Nite Strikers--August 21st at 6:30 p.m., a pot-luck at Marge Jacobs.
Friday Nite Owls--August 26th at 7:30 p.m., at the Bowling Center.
Housewives--at a later date to be announced.

Cora Smolinske made a motion that we adjourn, seconded by Ruth Hons.

Glennis Thomas, Secretary

The Kendallville Woman's Bowling Association held its' second meeting in the Council Chambers of the City Hall. Minutes of the last meeting were read and approved. The Treasurer's report was read by Carol Stahl, who gave a balance of $132.09. It was accepted. Thirty-eight teams answered to roll call.

A letter was read by the President from W. I. B. C. on the return of the money which was paid by each league, for the Woman Bowler. In the future, this is included in the League sanction fee. The League sanction fee remains the same, however.

The committees for the year were announced as follows:

Audit: Arlien Shields, Diane Norris, and June Foster.
Nominating: Donna Stuart, Ruth Collins, and June Rodenbeck.
Rules: Anna Davis, Mary Lou Norris, and Bertha Davis.
Prize & Trophy: Ruby Van Dusen, Lureign Beights, Elsie Wappes, and Glennis Thomas, Sec.
Tournament: The Executive Board: Marian Pollard, Cora Smolinske, Anna Davis, Lois Friskney, Dorothy Shock, Marjorie Haskins, Glennis Thomas, Carol Stahl, and Peg Blaskie.

During new business, it was announced that the City Tournament will be held February 14th and 21st. Expiration date for entry to be January 31, 1965.

It was also discussed as to the raising the Tournament fee to take care of the cost of the new trophies. It was moved by Jackie Bartlett that a fee of ten cents (10¢) per event, per girl, be asked and was seconded by Ruth Kester. Motion carried. This extra 10¢ per girl be applied on troplies only and does not enter in the prize money. This was brought about because of the slowly depletive value of the treasury.

A letter was read by Secretary Glennis Thomas, from W. I. B. C. on "Compulsory bonding of the Secretary, Treasurer, and other officers who are authorized to sign checks". A motion was made by Marian Pollard to do this under the discretion of the Insurance Plan offered by W. I. B. C. It was seconded by Arlien Shields.

The President will post on the bulletin board at the lanes soon, the names of two girls to bring the Association History up to date.

There were forty-five (45) girls present. Peg Blaskie motioned for adjournment and seconded by Zena Casselman.

Glennis Thomas, Secretary

The Kendallville Women's Bowling Association held its annual meeting Wednesday night, March 3rd, 1965 at the I & M Community Room.

The meeting was opened by the roll call of officers, and the minutes of previous meetings were read and approved. The Treasurer's report was read and accepted, showing a balance of $103.64.

A bill was presented by the Secretary, for postage, for $1.80. It was moved by Donna Stuart and seconded by Maxine Campbell that this bill be allowed. A bill was also presented by Marian Pollard for $12.00 from Seagleys and it was moved by Peg Blaskie and seconded by Ilo Kuhn that this bill be allowed.

The President appointed Doris Dungan, Helen Mieras, Sue Rhodes and Margaret Pfeiffer to bring the history of the Association up to date.

A letter was read from W. I. B. C. on bonding and insurance plan, in which the Treasurer was the only bonded officer. This tabled for the first meeting of the new year, under old business.

The President, Marge Haskins, at this time, thanked everyone for being so co-operative during the past four years of her Presidency, also the committees and everyone who had helped her.

Marge remembered being asked to run for City Secretary in 1952 by Bess Thropp, who said, "There wasn't very much to do." She was elected, and has been an active member of the City Association since. She hoped beginner bowlers would continue to run for offices and learn that there is very much to do in our City Association.

At this time Marian Pollard presented Marge with a gift from the Association in appreciation of all her time and efforts that she had so unselfishly given.

Highlights of the City Tournament were given by the Secretary and she thanked everyone for their co-operation. She also presented a "Century Patch" to Jean Steffe of the Friday Nite Owls, on Ada's Beauty Shop team. Jean rolled a 254 game in tournament which was 100 pins over her average.

There were 52 members present and 35 teams represented.

There were 237 sanctions this year.

The trophies and prize money were distributed by Lureign Beights and Elsie Wappes.

This year's winners were:

Team:	Ada's Beauty Shop	3003
Doubles:	Ruth Fisher and Peg Blaskie	1226
Singles:	Trudy Outlaw	693
All-Events:	Carol Charles-Actual	1575
	Irene Fischer-Handicap	1893

Election of officers was held and the results were as follows:

President:	Marian Pollard
Vice-President:	Ruth Hons
Secretary:	Glennis Thomas
Treasurer:	Carol Stahl
Sergeant-at-Arms:	Peg Blaskie

Pictures were taken by Mr. Phillips of the News-Sun of the Tournament winners and new officers.

The President closed the meeting thanking everyone again and wishing the new officers good luck in the coming year.

1965-1966 SEASON

President:	Marian Pollard
Vice-President:	Ruth Hons
Secretary:	Glennis Thomas
Treasurer:	Carol Stahl
Sergeant-at-Arms:	Peg Blaskie

The first meeting of the 1965-1966 bowling season was held by the K. W. B. A., Wednesday, August 11, with a pot-luck supper at the Bowling Center.

The meeting was called to order by the new President Marian Pollard. She welcomed all the girls and hopes that we all co-operate and have a very good season.

The roll call of officers and teams was taken. Four officers responded and 38 teams were represented. The minutes of the previous meeting were read and approved. The Treasurer's report was also read and accepted, showing a balance of $55.99.

A report of the Audit Committee was given by June Foster and the books were found to be in order.

Under unfinished business the President reported that the same history committee would stand and that they would bring the Association history up to date.

The Secretary gave a run down on the bonding and insurance plan. Ruby Van Dusen made the motion and was seconded by Mary Owen, "That the President, Secretary, and Treasurer of the Association be bonded." Motion carried.

Under new business, it was announced that an increase in State dues from 15¢ per girl to 25¢ per girl was in effect starting with the 1965-1966 season. In order not to deplete the Treasury, a proposed assessment of 10¢ per girl was read by the Secretary. Ruby Van Dusen made the motion and seconded by Marge Haskins that this proposal be allowed. Motion carried. It will cost each bowler 10¢ per league this year for this purpose. As stated in the amendments, this assessment must be voted on every year as long as it is needed.

Irene Fischer brought up also under new business about the Honorary W. I. B. C. Membership. It was explained by the President, the rules of such was stated in the Constitution under Article III; Section 5, "An honorary W. I. B. C. sanction card may be purchased from W. I. B. C. at a cost of fifty cents, for a woman who is unable to take an active part of bowling but still wishes to hold a membership in W. I. B. C."

The following meeting dates were announced by League Presidents:

Monday Nite Sallies - August 23, at 7:30 p.m., at Bowling Center.
Tuesday Kendall Keglers - August 17, at 6:30 p.m., at Bowling Center.
Housewives - September 1, at 1:15 p.m., at Bowling Center.
Friday Nite Strikers - August 20, at 6:30 p.m., Pot-luck at Maxine Campbell's house.
Friday Nite Owls - August 18, at 7:30 p.m., at Bowling Center.

Under correspondence, the President gave a run down on Bowlers Victory Legion and its' importance.

The Secretary gave the new rules in the Blue Book, read a "thank you" poem by Marge Haskins and reported on the retirement of Emma Phaler, W. I. B. C. Secretary.

There were 77 girls present.

The President reminded leagues of the following:

1. Have banquet two weeks following last league night of bowling.
2. Stress the importance of attendance at Association meetings.
3. League Secretary's to pick up supplies after meeting.
4. Sponsor Fee's to be paid before bowling first night.
5. The Woman Bowler Magazine subscription had raised in price from $1.50 to $2.00.

There were 237 members sanctioned during last year.

Wilbur Pollard, the Men's City Association Secretary reported to our Association on the accuracy of the alleys, and that they are within ten-thousandth of an inch to A. B. C. specifications.

The meeting was adjourned by a motion from Dorothy Owen and seconded by Connie Leighty. Motion carried.

Glennis Thomas, Secretary

NEW OFFICERS — Recently elected officers of the Women's Kendallville Bowling Association above include from left to right Mrs. Peg Blaskie, sergeant-at-arms; Mrs. Carol Stahl, treasurer; Mrs. Marian Pollard, president, and Mrs. Glennis Thomas, secretary. Mrs. Ruth Hons, vice president was absent at the time of the picture.

Dear Members of Kendallville Woman's Bowling Association

I write this little letter
To you--City Association,
To thank you for the serving dish
With much appreciation.

To Betty, Helen and Glennis,
A special thank you too,
You helped make being President
A simple task to do.

Also thanks to you who helped me,
All 230 strong.
If I began to name you all,
This poem would be to long.

I'll still be in there bowling
Another year or two,
So "Lots of Luck" to Marian
And you and you and you.

Sincerely,

Marge Haskins

1965-1966 EXECUTIVE BOARD MEETING

The Executive Board of the K.W.B.A. met Sunday evening, October 3, 1965 at the home of Marian Pollard. The meeting was called to order by the President, Marian Pollard and seven officers had answered roll call, three Assn. officers and four League Presidents.

The first item of business that was discussed was the extra assessment that was voted on in the fall meeting. It was decided by the board that the word "assessment" be stricken from the records at the Annual meeting February 23. This can be done by a motion from the floor. In other words, each girl will pay $1.10 per league; 50¢ of this to W.I.B.C., 25¢ to State Association, and 35¢ to local Association. We had received a letter from W.I.B.C. stating that this would not be an "assessment" but an "Association dues."

Also in new business, a letter was read explaining, it was all right for the leagues to accept the payment from the sponsor for girls on a team, but it was to remain in the League fund and not be turned over to the City Association Treasury, which has been the custom. The Association has quote, "No right to accept this amount for members whose dues have previously been paid." It was then decided by the Board to reimburse the leagues by check the amount due them. The checks were written and distributed as follows: $1.00 to Friday Nite Owls, $7.00 to Monday Nite Sallies, and $13.00 to Tuesday Kendall Keglers. The Friday Nite Strikers had no check coming because they were sanctioned first and the Housewives League is not sponsored.

The Annual City Tournament coming up February 6th and 13th was then discussed. This year the tournament expense will all come from tournament fees. As it has been in the past, "The Association paid for all or a part of the trophies, chevrons and score sheets. This can no longer be done as it was decided by the board to charge each girl $2.50 per event, 75¢ for All-Events and $12.50 per Team event, and $25.00 for Tournament expenses. This $25.00 includes $10.00 for scoresheets, $9.00 for chevrons and $6.00 for office and alley supplies. The trophy and alley expenses to come from each event. These are the main topics of tournament expense and it will be left to the discretion of the Prize and Trophy Committee as to the places to be paid, etc."

Another thing the board decided was to have a chevron and trophy for All-Event Actual winner and no money. Since this is a handicap tournament, the prize money should go to the handicap winner.

These things are to be voted on at the tournament meeting January 5th, 1966.

The President then asked the League Presidents to help the Association Secretary to get score keepers for the Men's Annual City Tournament, to be held the first week in December. We ask everyone's co-operation as this is a big task--too much for one person.

It was announced also by the President that she had assigned a food committee for the tournament. The committee will purchase and fix the food and decide what it will cost each Executive officer, alley hand and score-keepers, etc. for the meal. This is to lighten the load of one person who has many chores to do.

The President also appointed a Publicity Committee who will handle all publicity on tournament and winners and articles in paper on tournament when places are final.

In closing, it was brought up that League captains must check any tie game or games within tenpins, and if a mistake is found they have twenty-four hours in which to contest it. In case the Secretary of the league finds a mistake, she has the right to change it even though the Captains have signed their slips. If the Secretary finds a mistake, she is to notify both team Captains before league night and show the score sheets to both Captains before League night. Respect your Secretary-she has a hard job to do.

The meeting was adjourned, subject to being brought up and voted on at Tournament and Annual Meetings.

1965-1966

The K. W. B. A. held its' Tournament meeting January 5, 1966 at the I & M club rooms. The meeting was called to order by the President Marian Pollard. Roll call was answered by four officers and 39 teams. There were 43 girls present. The Secretary's report was read and approved. The Treasurer's report was also read and approved, showing a balance of $132.29.

The Secretary read the minutes of the Executive Board meeting which had met October 3, 1965. From these minutes there were two topics to be voted on for the city tournament. They were as follows: "The new bowling fees for the tournament and the prizes for the All-Events Handicap and Actual." There was a motion by Bobbie Brunzell and seconded by Dorothy Shock that the tournament fee be $2.50 per event, per girl, $12.50 per team and 75¢ for All-Events. Just to review, these fees were raised because all expenses and trophies must come from the tournament monies.

The second issue to be voted upon was the monies and trophies for the All-Events Handicap and Actual. It was voted unanimously that there should be a trophy for All-Events Actual and no monies. It was also voted unanimous that prize monies and no trophy be given for All-Event Handicap winners and more places be paid.

A letter was read by the Secretary from Lotus Gard asking for an associate membership into the K. W. B. A. The President then asked for a report from committee chairmen. Doris Dungan gave a report on the History committee asking for pictures, clipping, etc., from members that would be of interest to the Association to be put in the book. She also asked for money for supplies to make the book. A motion was made by Elsie Wappes and seconded by Arlien Shields that said supplies be purchased. The motion carried.

Olive Gieseking as publicity chairman gave her report stating her duties, which are many. She asked that if any unusual things, like converting of hard splits, 600 series, high single games, or etc., be reported to her by the President or Secretary of each league for her use.

Joyce Casselman as chairman of rules committee, read the standing rules of the Association and also the proposed amendments to these. Some of these rules were voted upon which concerned the tournament, and the balance to be voted upon at the Annual meeting. This is an act to bring everything up to date.

Rules of Etiquette were read by the Secretary concerning the tournament and she stressed their importance.

With no further business, Ruth Collins made the motion for adjournment and seconded by Peg Blaskie.

Glennis Thomas, Secretary

The Executive Board met following the meeting and voted to accept Lotus Gard as an associate member. The information was relayed to W.I.B.C. immediately.

About sixty women bowlers met at the Kendallville Bowling Center last evening for their annual summer meeting. A carry-in supper was served at 7:00 p.m.

The business session was led by Mrs. Wilbur Pollard, president of the Kendallville Women's Bowling Association.

She introduced Mrs. Willard (Buzz) Owen and Mrs. James Buell who had been appointed secretary and vice president. Mrs. Howard Thomas, who had been reelected association secretary, resigned the first part of August because of her health.

The roll call of teams reminded everyone that the bowling season will soon be in full swing. One league reported they would need at least one full team to complete their schedule.

Information can be obtained from Mrs. Pollard, Mrs. Owen or at the bowling center.

The officers then went over the WIBC rules from the new rule book, as well as rules of the local association.

The Kendallville Women's Bowling Association held its anaul tournament meeting last evening in the I&M Community room with about 40 members present.

It was announced that a member of the local association, Mrs. Cleo (Bud) Campbell, had been suggested to the state association as a candidate for state secretary. The local organization will be informed sometime in February if Mrs. Campbell will be nominated to the state slate of officers.

The local women's annual bowling tournament has been scheduled for Feb. 5, 12 and 19. In other years it was held in just two weeks, but due to the increase in number of entries the past couple of years it was decided to add another day to the event.

Entries will close at midnight Jan. 22.

The next meeting of the KWBA will be March 8, also at the I&M. At this meeting all officers, with the exception of the secretary, will be elected and winners in the annual tournament will be recognized.

Kendallville Women Bowlers Celebrate 50th Year Of International Congress

The Kendallville Woman's Bowling Association, along with other groups throughout the nation, are in the bowling spotlight this month as local bowlerettes bask in the golden glow of the 50th anniversary season of the Woman's International Bowling Congress.

WIBC was founded Nov. 29, 1916, by 40 women and one man in a small bowling "alley" in St. Louis, Mo., and WIBC's 50th anniversary events are scheduled throughout the 1966-67 season, climaxing at the 1967 WIBC Championship Tournament in Rochester, N. Y., opening April 13.

Headquarters of the 2.8-million member organization is in Columbus, Ohio.

The Kendallville Woman's Bowling Association was chartered in 1948, with 12 teams making up the first organization, according to past records, as compared with the 60 teams now sanctioned at the local level.

First tournament on record was rolled during the 1950-51 season with 14 teams, 16 doubles and 32 singles entries.

Last year 45 teams entered the city association tournament with 68 doubles and 136 singles entries.

The Kendallville Woman's Bowling Association is headed by Mrs. Wilbur Pollard, president; Mrs. James Buell, vice president; Mrs. Buzz Owen, secretary; Mrs. Orville Stahl Jr., treasurer; and Mrs. William Blaskie, sergeant-at-arms.

Bowling is far from a new sport, some form of it dating back to Egypt as early as 5200 BC. Men bowlers began organizing in the 1880s in the United States and the men's organization, the American Bowling Congress, was formed in 1895.

Interest generated among women who accompanied their bowler-husbands to tournaments led to their holding informal tournaments among themselves, with many of these women aiding in organization of the WIBC.

Charter members of WIBC were assisted at founding of the Congress by Dennis J. Sweeney, a St. Louis proprietor who had long campaigned for women in bowling and who organized them into leagues as early as 1907.

First women's bowling organization was the association organized in St. Louis in 1915 by Mrs. Ellen Kelly, who was to become WIBC's first secretary. Mrs. Kelly soon branched out by writing letters to bowling proprietors and women bowlers throughout the nation, eventually inviting them to the organizational meeting and tournament on Nov. 29, 1916.

The first tournament of eight teams was a striking contrast to the largest WIBC tournament which attracted 5,071 teams to Minneapolis in 1964. Early membership figures also vary considerably from modern totals, with the change from 40 members the first season to nearly three million members today telling a lot of strikes and spares stories.

WIBC membership had topped one million by July 1, 1958, and four years later it had more than doubled to 2,212,339. During the 1965-66 season, which ended July 31, membership climbed to 2,821,747.

WIBC is a national service organization, offering to its members an annual championship tournament, awards for bowling achievements and high scores, standarized rules and counseling services, a news service and monthly magazine, instructional pamphlets and bowling aids, bonding service and special tournament sanctioning.

President of the WIBC is Mrs. Alberta E. Crowe of Liverpool, N. Y. The executive board includes seven vice presidents, a seageant-at-arms and 18 directors from 20 states and Washington, D. C. Mrs. Freda S. Botkin of Columbus, Ohio, is executive secretary-treasurer.

On the right side of the plane are members of the Kendllville Bowling Center team: Rita Langwell, Maxine Campbell, Carol Stahl, Marge Haskins and Mary Owen with their pilot, Ron Burns. The girls reported an enjoyable time and as of yesterday Carol Stahl and Maxine Campbell stood seventh in the doubles standings. The ladies are already making plans to attend the national tournament to be held next year in San Antonio, Texas.

WIBC National Setting Records

COLUMBUS, Ohio (UP) — A record 6,094 teams have entered the 1967 Woman's International Bowling Congress Championship Tournament, the WIBC announced Tuesday.

The 48th annual tournament will open Thursday, April 13 and close Sunday, May 28, in Rochester, N.Y.

Two bowling centers will be used to stage the record-breaking tournament. Teams are entered from all 50 states and Washington, D. C., Bermuda, Puerto Rico and Canada.

The tournament also attracted a record prize fund of $296,760 and also set a record entry in doubles, 10,903, and in singles, 21,860.

The previous record for a WIBC championship tournament was set in 1964 at Minneapolis when 5,071 teams, 9,219 doubles and 18,438 singles were entered and the prize melon totaled $248,924.

Women Not Overshadowed

The 1967 Championship Tournament of the Women's International Bowling Congress, the largest women's sports organization in the world, does not rank far behind the ABC in significance.

A record team entry of 6,094 will send pins flying April 13 at the Gates Bowl in Rochester, N.Y. Singles and doubles competition opens April 14 at the Olympic Bowl in Rochester.

The 10,930 doubles entries and 21,860 singles also are WIBC records as is the prize fund of $296,760. These records are particularly apropos since the organization will be celebrating its 50th anniversary.

One of the highlights of the gathering will be the presentation of 25 Year Tournament Participation Awards to 87 women who have bowled in 25 or more WIBC Championship Tournaments. Among the recipients will be Anita Rump, two-time national singles champion, and Golda Kessler, both of Fort Wayne. Miss Rump will be attending her 33rd and Mrs. Kessler her 25th WIBC tournament.

Bowling

Now that the 1966-67 bowling season is now in the history books here is a rundown of the season's highs during the past year.

One week later (Dec. 20) they had a 943 and seven days later beat that game by one pin to finish with a high for the season wtih a 944.

Women's High Team Series

In this event it was all Harman's again and most of these dates will correspond with the high game dates.

On Sept. 13, Harman's hit for a 2,408 series. On Oct. 18 the squad had a 2,466. On Oct. 25 and Dec. 13 they had an equal series score of 2,513. On Dec. 20 the five went over 2600 with a 2,618. On Feb. 21 Harman's set the season's high series for the women with a 2,631 score.

This game held up as high for a long time, until Feb. 17, when Betty Goodwin hit for a 264 to take high individual game honors for the women of the Kendallville Bowling Association.

High Women's Individual Game

The Kendallville Women's Bowling Association has scheduled its fall meeting for 6:30 p.m. Wednesday, Aug. 2, at the Kendallville Bowling Center, it was reported today by Mary Owen, association secretary.

A potluck supper is planned, with each person asked to provide her own table service.

May 27-28th

W. I. B. C. Tournament — 1967

Today is the day - it's 6 a. m.
I'm up and all aglow
Soon we will leave for the airport
and off to Rochester we'll go.

Dick and I hurry over
Buzz and Mary are there
We repack one suitcase
Soon they'll all be here.

Here comes Rita, Betty, Ed and Mickey
Also Bud and Max
There's Berniece, Bertha, Alvina
and Carol was the last.

Marian's here to see us off
as other friends are too.
It's 8:30 — take off time
so into the plane we go.

Ron was our pilot.
What a riot we have
Even coffee and donuts
and jokes — how we laugh.

Jim was the other pilot
and had the fastest plane
How they did pass us up
It was such a shame.

At 11:03 In Rochester N. Y.
It was a perfect landing
Some excited girls were we
here to alter W. I. B. C. standing.

Not much time to change our clothes
We soon found our way
To the Bowling Lanes.
Where it was "Indiana Day"

Our team wore bright yellow dresses
"Outstanding" we were told.
How proud we marched to our lanes
A thrilling moment to behold.

When the Team Event was over
we ate and shopped around.
Then we all got ready
to go out on the town.

Bertha's sister helped us
find a place to dance and sing.
There will be no sleep tonight!
As this will be our fling.

Up bright and early Sunday
our Singles and Doubles to prepare.
Max and Carol did their best
to show that Kendallville was there.

And now it's time to journey home
"All Aboard" the pilots call.
But a tired bunch did agree
a good time was had by all.

Minutes of the last meeting were read and Marge Haskins moved to correct the nemes of the girls that participated at the National Tournament in Rochester, New York. These being: Betty Ebert and Alvina Johnson. Maxine Campbell seconded this motion. Motion carried and approved as corrected.

Committee reports; Audit chairman, Irene Delong, reported the books in order. Publicity chairman, Olive Gieseking, asked for any and all news for publication. Historian Irma Jacobs reported nothing more had been given her for the History and asked for information, awards and badges so she could finalize before turning it over to the new History chairman, Marge Haskins. Treasurer, Hazel Martin read her report, showing a balance of $111.82. No corrections, the report will stand as read.

Under bills, it was moved by Joyce Casselman and seconded by Marge Haskins, "To pay Bud Campbell, $4.50 for a trophy of a long time membership to Lotus Gard, who is bedfast in a nursing home." Motion was carried.

Under old business, Joyce Casselman made a motion that the "Executive Board meet and determine the type and amount to be paid for gifts for retiring officers." Motion seconded and carried.

Marge Haskins read a poem that she had written for the members that flew to Rochester, New York to bowl in the W.I.B.C. Tournament. It was unanimous that she present this poem to the Association for the History.

President Cora gave a review on the importance of The Bowlers Victory Legion and bowling etiquette and asked cooperation from all members in helping new bowlers and courtesy to each other. She commented "that we are all ladies, so we should act like it."

She appointed her committees, except the Audit. At this time the Executive Board recessed for this appointment. It was the discretion of the Board to retain one previous member of the committee so as to better acquaint the others to the responsibility of the books.

Marian Pollard made a motion for the Association to purchase a plaque in memorium to our deceased members and this plaque to hang at the Bowling Center, seconded by Marge Jacobs. Motion was carried. A standing moment of prayer was had at this time honoring our deceased members, Peg Cunningham and Helen Caldwell.

After each league President has conversed with her league about this plaque, the Executive Board will meet and select this plaque and also to decide on retiring officers gift. Bud Campbell asked the honor of helping to participate with the plaque.

Bowling fees to remain the same as last year, 50¢ per line.

Are you an active bowler
The kind that would be missed
Or are you just contented
That your name is on the sanction list.

Do you attend the meetings
And mingle with the flock,
Or do you stay at home
And critize and knock?

Do you take an active part
To help the work along
Or are you satisfied to be
The Kind who just belongs?

Do you ever work on committees,
To see there is no trick
Or leave the work to just a few
And talk about the clique?

So come to meetings often,
And help with hand and heart
Don't be just a member
But take an active part.

Think this over, bowlers
You know right from wrong.
Are you an active member,
Or do you just belong?

Women Bowlers In Fall Meeting

Fifty-three members of the Kendallville Women's Bowling Association met at the Kendallville Bowling Center for their annual fall carry-in supper-organizational meeting.

Mrs. Marjorie Haskins, vice president, presided at the business session in the absence of President Mrs. Cora Smolinske. The group stood in silence in memory of association member Mrs. Howard Reick.

A gavel was presented by Mrs. Haskins to the organization to be used at future meetings; accepting it was Mrs. Mary Owens on behalf of the KWBA.

Mrs. Bud Campbell and Mrs. Haskins attended a workshop meeting at Indianapolis and in giving their report stressed the importance of each league meeting and the establishment of rules for the coming season which must be in effect before the first ball is rolled.

League presidents are urged to read the WIBC rules and regulations thoroughly.

The Kendallville Association was pleased to learn that it was brought out at the workshop that its organization is one of the more thoroughly organized groups in the state of Indiana.

A good representation of all leagues attended the Wednesday evening meeting and announcements of league fall meetings dates were announced. They are: Monday Nite Sallies, 7:30 p.m. Monday at the Bowling Center; Kendall Keglers, Tuesday, Aug. 20, 7 p.m.; Bowling Center; Housewives, Wednesday, Aug. 21, 1:30 p.m. Bowling Center; Friday Nite Strikers, 6:30 p.m., carry-in supper at the home of Mrs. Marj Jacobs; and the Nite Owls Wednesday, Aug. 21, 6:30 p.m., Bowling Center.

Each league member, as well as new bowlers, are urged to attend the organizational meetings.

Announcement was made of the annual state tournament to be held in Logansport early in 1969. It will be based on two divisions and will be a handicap event. Plans were also announced for a state bowling bulletin to be published about four times a year and the possibility of a contest for association scrap books.

The Association noted the growth of the Junior Bowling Congress in which 150 members participated last year. Bud and Maxine Campbell, managers of Bowling Center, are anticipating adding additional hours to the group's schedule.

Mrs. Bud Campbell and Mrs. Richard Haskins, secretary and vice president of the Kendallville Women's Bowling Association, attended a workshop meeting Sunday at the Essex House, Indianapolis. New rules were discussed by officers of the Women's International Bowling Congress and Woman's State Association which will be introduced to the local association at a picnic meeting to be held at the Bowling Center August 7 at 6:30 p.m.

1968-1969 SEASON

President:	Cora Smolinske
Vice-President:	Marjorie Haskins
Secretary:	Maxine Campbell
Treasurer:	Hazel Martin
Sergeant-at-Arms:	Gladys Mace

The fall meeting of the K.W.B.A. was held at the Kendallville Bowling Center, August 7, 1968. All members enjoyed a picnic supper.

Marge Haskins presided over the meeting in the absence of Cora Smolinske. Marge welcomed the members for the 1968-1969 season and presented a gavel to Mary Owen who accepted for the Association for use in their future meetings.

There was a moment of silent prayer for Vi Reick who passed away in June.

Four officers answered the roll call. Leagues and teams were called and Kendall Keglers responded with 100%, 53 members were present, and thirty teams represented.

Minutes were read and approved. The Treasurer reported a balance of $106.85. Approved as read.

Betty Hemlinger chairman of Audit committee reported all in order and an outstanding job done on the books.

Historian chairman, Marge Haskins reported the History book updated to the 1965-1966 season so far. It was discussed about making books for the girls who would like to have them. Motion by Jackie Bartlett to find out what the cost of printing the books would be. Seconded by Sue Rhodes. Motion carried.

There is no committees listed as yet. Marge Haskins and Maxine Campbell attended the workshop at the Essex House, Indianapolis, July 28th. They reported on rule changes and on the A.J.B.C. Maxine reported the State tourney is to be held at Logansport and is to be handicap and in two classes this year. The W.I.S.B.A. is going to try to have a news-letter, two or three times a year. This would mean each league secretary would report any items of interest to the City secretary, who in turn would send it to W.I.S.B.A.

The leagues scheduled their fall meetings as follows:

Monday Nite Sallies - Bowling Center - August 12th - 7:30 p.m.
Tuesday Kendall Keglers - Bowling Center - August 20th - 7:00 p.m.
Wednesday Housewives - Bowling Center - August 21st - 1:30 p.m.
Friday Nite Strikers - Carry-in dinner at Marge Jacobs - August 16th - 6:30 p.m.
Friday Nite Owls - Bowling Center - August 16th - 6:30 p.m.

Maxine Campbell, Secretary

The Tournament meeting was held at the I & M Room on January 8, 1969.

Three officers answered roll call and only five members were present due to bad weather.

We held an informal meeting and answered questions on the tournament. A bill of $9.64 was paid to Maxine for postage, file box, and etc.

March 5th is to be the annual meeting at I & M Room with election of officers and awarding of tourney prize money.

Maxine Campbell, Secretary

Not long ago - I stood up here and gave a speech of the many years that I had spent as an officer of your Association - (8) years as Secretary and 3-4 years as President. Years that were enjoyed more that I could describe, and with an interest and love that was a large part of my life. Then I retired - I thought - and you gave me a gift of appreciation to remember these years.

Now I find I'm back here helping again as your Vice-President and delighted with the fact that I am still an active part of your Association.

I intended on giving this speech - but hadn't intended to be standing here conducting this organizational meeting of the 1968-1969 season because of the absence of your President Cora Smolinske, who had other commitments, and I hope I can get the job done.

The reason I am saying all this is because I would like to give you a gift. So it's with sincere and deep pleasure that I present to the Kendallville Woman's Bowling Association, this gavel, so that all future Presidents may conduct their meetings with order and dignity.

Sincerely,

Marjorie Haskins

NOTES and COMMENT

Mrs. Richard Haskins, 218 S. Riley St., is collecting old and new photographs of Kendallville Women's Bowling Assn. teams. As historian of the association, she is in charge of compiling a history of the bowling association, which received its charter in 1950. So, if you have a photograph of you and your bowling ball, Historian Marjorie asks you to mail it to her at her address above.

Our bound volumes of the News-Sun are always available to local historians between the hours of 8 a.m. and 5 p.m. weekdays and 8 a.m. to noon on Saturdays. But some may prefer to use the Kendallville Public Library's microfilm file. The microfilm machine allows you to flip pages faster and find what you want more readily. All files up to the most recent four months are on microfilm at the library.

Kendallville Women Bowlers' Scrapbook Material Due Fri. 5-30-69

The deadline for submitting articles and pictures for the publication of the Kendallville Women's Bowling Association's scrapbook is Friday, according to Mrs. Richard Haskins, historian and editor for the non-profit project.

Orders for the history scrapbook will be taken throughout the summer and distribution of the book will be made at the Annual Association Fall Meeting in 1970.

Mrs. Buzz Owen has served as co-ordinator of the project; Mrs. Bud Campbell as secretary and Mrs. Voile Martin as treasurer.

Orders may be placed with any of the officers.

Women Bowlers Prepare History For Publication 4-30-69

Historians of the Kendallville Women's Bowling Association have been gathering material for more than six years in an effort to have an account of all the facts concerning the organization.

First plans were to assemble one book, but with many inquiries regarding the outline it was decided to publish the history. Only advance orders will be taken as there will be just one printing.

Featured in the publication will be more than 100 pages of pictures, tournament data and numerous highlights of the 20 years the Association has been in existence.

Those compiling the data have spent hours reviewing minute books, records and reminiscing about bowling in an effort to make the book as accurate and interesting as possible.

At present there are five ladies' leagues in the Association and representatives have been selected from each group to work on the publication. They are Teola Thompson, Monday Nite Sallies; Diana Sturgis, Kendall Keglers; Gertie Groh, Housewives; Marge Jacobs, Friday Nite Strikers; and Ada Fisher, Nite Owl League.

Anyone interested in obtaining additional information should contact one of the representatives or any Association officer.

All members of the organization, past members or families of past and present members of the Women's Bowling Association are urged to participate in this project.

LETTERS FROM THE LEAGUES PRESIDENTS

The Monday Nite Sallies

The Monday Nite Sallies Bowling League has progressed in many ways during the past twenty years.

One of the things that has improved is the scores of the girls. The high average ten years ago was 140, this year it was 165. Another difference is the equipment. Very few girls had their own ball and shoes then. All most all of the girls own their own, now.

The business meetings have improved a great deal to promote a more efficient league. We use to hold a small meeting in the fall before the first game of the season. Now we have a separate meeting night, usually the first Monday after the fall association meeting. During this meeting many new rules and ways to improve our social part of the bowling league are discussed.

One of the rules we have added states that each team has to place a name on the ballot for officers when we hold elections. Another one is that we pay for two nights of bowling the first night. This rule eliminates the captain having to pay for absent bowlers.

We also have a rule that our banquet be held two weeks after our last night of bowling which, gives officers and prize committees more time to get their work done.

Lots of things have progressed in our league the past twenty years, but not the thrill of being on a first place team, or having high game, or high series or even bowling better this year then previous years. This stays the same no matter how much you progress.

Berniece Maxson

Kendallville Housewives Bowling League

Ten years ago, October, 1959, the Housewives League had four teams bowling. Since then, it has grown to twelve teams, with four bowlers on each team.

Some of the women's averages are in the high 150's and 140's. For high three game series of 537, 526, and 511, and for high team series of 749, 736, and 718.

The team names chosen each year for the Housewives League, usually pertain to housework. This year it was cooking, with such appetizing names as Biscuit Mixers, Chili Peppers, Cookie Cutters, and Stewed Tomatoes.

Any woman could bowl in this Wednesday afternoon league, even if she has pre-school children. She can bring them along as that nice, patient, Mr. Bud Campbell, offers the bowling alley for baby-sitting.

It all adds up to a lot of fun and is not only good for us physically, but mentally. We have a nice opportunity to make new friends and get away from those house chores for awhile.

Tuesday Nite Kendall Keglers

This was a wonderful year. Maybe some of us didn't bowl very good, but there were quite a few that bowled 500 and over. At our banquet, we decided to make it look like spring. With spring flowers, nut cups, and our bowling pins on styrofoam squares at every place. The tables were decorated with spring flowers and crepe paper.

I want to thank everyone for making it a wonderful, and happy year.

Marie Trowbridge, President

Kendall Keglers League - Kendallville

The Kendall Keglers League was formed in the fall of 1950 by a group of women, some of whom had bowled before and some who were new to the sport. Officers chosen the first year were:

President: Betty Gonwer
Vice-President: Carolyn Taylor
Secretary: Lorraine Seidel
Treasurer: Bonnie Wilson
Sergeant-at-Arms: Jean Vinyard

These officers led us through a successful first year, as did many other women through the following years. Our league has always tried to follow W.I.B.C. rules, and when we have had any questions, we have corresponded with state and national officers and received prompt help.

Kendall Kegler bowlers have earned many awards, among them being triplicate award, Century award, Dutch 200, 600 Club, All-Spare award. Our bowlers have entered city, state and national tournaments and many have received recognition and prize money. Members of our league have filled City Association offices and league offices and committees and have performed faithfully and well. Some have bowled regularly or substistuted in other leagues.

Because women who have bowled in the Kendall Keglers league have come from many of the surrounding towns and communities, each of us has widened our circle of acquaintances. Halloween parties and team Christmas exchanges have added to our fun. Our end of the season parties have ranged from pot-luck suppers to fine banquets, at both in-town and out-of-town spots, and have provided us with pleasure with games and contests, entertainment and the awarding of trophies and prizes and monies. Recreation and good sportsmanship have always been our aims.

It has been a pleasure to bowl in the Kendall Keglers League, and a privilege to have served as its Secretary since 1951.

Grace Newton

Friday Nite Strikers

A new Friday night women's bowling league consisting of six teams was formed in September of 1953 for the 1953-1954 bowling season. These first six teams were sponsored by V & A Restaurant, No-Sag Spring Co., Price's Dairy, Huntertown Auto Sales, Jones Insurance and City Dairy.

The league was named the Friday Night Strikers and the first elected officers were Dorthy Babin, President; Margaret Leamon, Vice-President; Joan Herendeen, Treasurer; and Pat Reade, Secretary.

For the 1954-1955 season the sponsors were Huntertown Auto Sales, V & A Restaurant, Jake's Body Shop, Jones Insurance, Eagles Auxiliary and Wilson Florists. Two of these - Eagles Auxiliary and Jake's Body Shop - have sponsored teams in this league continously since this second season.

With the hard work and time of all the bowlers involved, the Friday Night Strikers Bowling League has functioned as a six-team league without interruption since 1953 and will enter its seventeenth season for 1969-1970.

There are many of us who have bowled seventeen years on this league and enjoying the association with all the girls.

Betty Hemlinger, President

Friday Nite Owls League

Another bowling season has ended, another year of fun and fellowship. Same old story, if I had got one more spare or Ada had got one, we might have won the game, or if. Oh well, it's all over and there isn't much we can do about it. But the fun we had and the stories we told are worth more to me than silver and gold. Boy, that's a corny line, but I really mean this.

To watch a new bowler get better every week and to be a part of it. To get to the bowling alley parking lot a few minutes till nine and not a place to park so you wait till the first shift is over. Then it's run inside, change your shoes and get on the lanes ready to bowl. Is this ball cold! Left it in the car all week again.

Over the years, the girls I've met and the problems I have had to face, I hope, have made me a better person. Also the excercise has not hurt me one bit. There is nothing like bowling. What else can you do that will give you this much excercise, make your blood pressure go up when you pick up a big split or get a turkey, then to set back and watch someone else do the same thing and up goes your blood pressure again.

Now it's over for this season, and as an officer sometimes I could not say and do as I pleased, but had to follow the rules of the league first. Bowling means to me, fellowship, good times, and a time to forget one's problems of the day and do the best I can for my team, league and city association, so that all can be proud and glad to have me associate with them.

Thank you,

Elsie Wappes, President

"JOKES"

Peg: Are there any risque stories in the History of K.W.B.A.?
Zena Casselman: I doubt it, most of them can't be printed.

Ginny Wilondek: Are you going to buy a History scrapbook?
Donna Schmidt: You bet! It's a great idea that they've decided to do it.

Joyce Casselman & Jane Rider: You don't want those ugly old pictures, do you?

Carol Charles: I don't think I want a History book.
Gladys Mace: But your picture is in it!
Carol: Oh, that's different.

"HOW IT WAS"

A few years ago, members of the K.W.B.A. decided to compile as much bowling information that they could find and make a History scrapbook. One that would contain pictures, minutes and events of the Association for the past twenty years, from 1949-1969. At which time was up to date. That the book would be printed and published into single copies and made available to all who wished to purchase it.

The main purpose of the book was to preserve these records. There was concern that they might become lost or destroyed. (As you'll notice some statistics have been lost.) Thus, having a purpose was the motive behind the preservation of this information, in hopes, that the book would be used for future reference or just bring back a memory or two of the past. The pictures are priceless and together in one book will make an enjoyable recollection. Otherwise they might still be in your attic.

And "Lest we forget", the book would be dedicated to the deceased members of the Association.

It all sounded so easy. What had to be done was clear, but getting it done was something else.

There would be requests for pictures, minutes to copy, research at Public Library, placing pictures with the right years and getting correct names.

After two years, it began to look like a book. But since the material was all in long hand, it needed to be typed.

Homer Johnson offered to do the typing and donate his time. He said the cost of printing the book would be $200.00. So preparations were made to raise the money that was needed. An advance book sale was planned and one member from each League was selected to head the sales campaign. (Names on page one.) Approximately 120 copies were sold at $1.50 per copy.

Everything was going along smoothly, when Homer became very ill and was unable to do any typing.

Now the completion of the book was at a stand-still.

Meanwhile another year has passed and the promises that were made for finishing your book are not being kept. But to try to keep these promises other printing firms were contacted. One extimated the cost to be $1,200.00, another was higher, one couldn't print the newspaper pictures and articles which made up most of the book.

Since the cost of printing was so high, the Association was notified that all efforts had failed to complete this project and that the money from the advance sale should be refunded. But this dream was not to be denied.

Maxine Campbell remembered a niece and nephew, Elsie and Jack Tanner, Battle Creek, Michigan, who were in the printing business. Would they look at the transcript and make an estimate? They did and said it would be $700.00, done exactly as it was planned and as many copies as were needed.

This was good news. But advertising would need to be sold to raise the amount needed to cover the cost of printing the book. So a meeting was held to lay out plans for canvassing and it was decided that $3.00 would need to be charged for any additional copies that were sold. Thus an advertising campaign was started. The special people who made up the sales committee are; Diane Sturgis, assistant Historian and daughter of Caroline Brady, a charter member, helped in advance book and advertising sales and did more than her share towards both; Chris Brady, daughter-in-law of Caroline, did all the typing for the book. She not only typed it once but each page had to be typed twice. One for rough graph and one for the final copy. Little did she realize what a big job this would be when she volunteered; Maxine Campbell, presently Secretary, has helped in collaboration and proof reading. She has been a "right arm" with everything that has concerned the book; Donna Uhl, daughter of Helen Caldwell, deceased member, Cora Smolinske, interested member, and Marcia Bruce, presently President.

The response of the Kendallville and Avilla merchants was so gratifying that the campaign was a success. Thanks to them, the goal was reached.

Now as time nears when the History book will be completed, knowing all the effort was not in vain. The hours that were put in towards the book, cannot be counted, unless you count them in love and devotion to the sport of bowling. For it was those people who devoted so much of their time, who wanted it to be a success.

It is hoped that you enjoy this book and find it worthwhile. Those of us who worked so hard feel it has been a privilege and a job well done, if you are pleased.

This Historian wishes to thank all the people who contributed pictures and articles. Also to those who helped in book sales, advertising sales, typing, proof-reading and assembly. A special thanks again to the merchants who purchased the advertising that made it possible. The completion of the book has depended on all of you.

A goal, a venture, an impossibility, call it what you may, but your history book is real and finished, a dream come true.

Your Historian,

Marjorie Haskins

K. W. B. A.

The Association in Kendallville
is called the K.W.B.A.
For whom this poem is written
and is meant to say.

They have their meetings
which many attend.
Each taking an active part
with suggestions to lend.

Of course, there's City tournament
to look forward to.
And all the gals will enter
with enthusiasm so new.

There are trophies for the champions
and prize money to boot.
It's always quite exciting
who will take home the loot.

K.W.B.A. is represented
at National and State.
These tournaments are entered,
teams look forward to that date.

There is also a project
that they undertook,
To get old news and pictures
and make a History Book.

Completing this scrapbook
has been their goal.
To put twenty years together
about those who used to bowl.

How K.W.B.A. was started,
to preserve records of the past,
Showing they're not forgotten
with memories that last.

Now the book is ready,
it was done for your pleasure.
May it always remain
a possession to treasure.
